

We're excited to inform you about a significant upgrade to our physician portal!

In our continuous efforts to enhance user experience and provide advanced functionality, we have transitioned from eRad to EXA.

What does this mean for you?

- 1. Improved Features:** EXA brings a host of new features and enhancements designed to streamline your workflow and improve efficiency.
- 2. Seamless Transition:** You can continue accessing the portal using your current username (in lowercase), but please note the password has been updated to **Welcome123**.
- 3. Enhanced Security:** EXA ensures robust security measures to safeguard your data and patient information.
- 4. User-Friendly Interface:** Experience a sleek and intuitive interface that makes navigation and utilization more straightforward than ever before.

Action Required:

Login to the [EXA Physician Portal](#) using your existing username and the new password **Welcome123**.

Explore the updated features and functionalities to maximize your experience.

*Thank you for your cooperation as we make this transition to EXA.
We believe this upgrade will greatly benefit your practice and patient care.*
